

Elevate Your Chapter in 2017-18

With the success of last year's online pilot, we are excited to offer the *Chapter Management Handbook (CMH)* exclusively online this year. This electronic resource will help you and your students make the most of FBLA-ML programs and partners by providing you with up-to-date information throughout the membership year. You can access the online *CMH* at go.fbla.org/MLCMH.

We are excited to have all-new recognition programs and competitive events for FBLA-ML members and chapters this year. Note that all programs from last year have been retired, so members and chapters will need to review the new programs to earn national recognition.

FBLA-ML members will be eligible for competition at the 2018 National Leadership Conference. Ask your state adviser for information regarding state event guidelines, as they may differ from the national guidelines.

Share your chapter's successes and highlights throughout the year by submitting chapter news and photos at go.fbla.org/news.

Encourage members to follow FBLA-PBL's social media accounts for the latest news and announcements.
