23–24 PBL Institute for Leaders—San Antonio, Texas

24–27 PBL NLC—San Antonio, Texas
Hello, Phi Beta Lambda!

It is the most wonderful time of the year—if you like competitive events, elections, and networking. It’s state conference season! I always enjoy seeing the social media posts celebrating competitive event wins, election results, and reflecting on a successful year. One of the best parts about state leadership conferences is finding out who will compete at the National Leadership Conference in San Antonio, Texas. The NLC is guaranteed to be an excellent experience and this year’s conference will feature several new opportunities!

Your national officer team has been hard at work designing new, worthwhile sessions for our time together in Texas this summer. Some of the additions include three panels highlighting getting hired, entrepreneurship, and our alumni, a networking reception. Don’t miss these opportunities to meet other members and business professionals in a relaxing environment. Back by popular demand, we are excited to offer two business tours and host a state officer round table. Be on the lookout for these exciting opportunities—you don’t want to miss out!

With NLC comes a new membership year; seniors will graduate and the mantle will be passed to underclassmen. I strongly encourage underclassmen to take the reins of leadership with bold optimism. Don’t be afraid to step up, voice new ideas, ignite innovation, and push our association forward! The longevity of PBL resides in the willingness of young leaders to heed the call. As for those who are graduating, I challenge you to continue your involvement with FBLA-PBL. We have an obligation to volunteer our time and resources for the next generation of leaders who are in the midst of their PBL experience. We can do this through the Professional Division.

Whether you are an underclassman or a graduating senior, I wish you all the best this state conference season. Enjoy the competitive events, elections, and fellowship opportunities. I hope you take this time to try something new, challenge yourself, and continue learning.

In leadership,
Corbin Robinson
PBL National President

Start Making Plans to Attend the PBL National Leadership Conference

This year’s National Leadership Conference (NLC) in is only a few months away. It will be held on June 24–June 27 in San Antonio, Texas. San Antonio has a rich colonial heritage. The Alamo, an 18th-century Spanish mission preserved as a museum, marks an infamous 1836 battle for Texan independence from Mexico. Following the San Antonio River, the miles-long River Walk is a landmark pedestrian promenade lined with cafes and shops. HemisFair Park’s 750-ft. Tower of the Americas overlooks the city.

Come in early and take advantage of some of the discounted tours that we are offering such as a city tour, a day at a Six Flags Fiesta Texas, or a tour of LBJ Ranch.

The Conference kicks off on June 24 with the Opening General Session & Campaign Rally for the offices of National President, Secretary, and Treasurer. The keynote speaker will be Jeff Butler, a speaker, author, and international consultant.

Make sure to attend one of the following adviser sessions to learn specific NLC details and receive a conference gift. They will take place on the following dates and times:

Throughout the conference, students who qualified to compete at the National Leadership Conference at their State Conferences will be competing in individual, team, and chapter events. If your students did not qualify, there is still an opportunity for them to compete in one of the following Open Events: Advertising, Construction Management, Health Care Administration, Nonprofit Business Management, Political Science, and Supply Change Management.

In addition to the popular business tours, your PBL National Officer team is premiering four new conference initiatives this year. PBL members will have the opportunity to attend three unique panels that are crafted for professional development:

- “Getting Hired” Panel
- Entrepreneurship 101 Panel
- Alumni Spotlight Panel

You and your students should also make plans to join your National Officers, PBL members, PBL advisers, and San Antonio business professionals for the Networking Reception. In addition to expanding your network, encourage your students to bring a small donation to support our national service partner, the March of Dimes.

Each region will meet on June 25. This meeting will include state success stories, regional vice president candidate speeches, candidate Q&A, and all membership and chapter awards including CMAP President pins.

An exciting part of the NLC is the election of the 2019-20 national officers. Candidates display literature at their campaign booths where members can talk to them about their platforms. And remember, each local chapter receives at least two voting delegates (Less than 50 paid members: 2 voting delegates; 50-100 paid members: 3 voting delegates, and more than 100 paid members: 4 voting delegates). Online Voting will take place the morning of June 27 beginning at 8:30 am. Your PBL local chapter voting delegates will vote for the National President, Secretary, Treasurer and their Regional Vice President.

This conference concludes on June 27 with an evening awards of excellence where the top 10 in each event receive trophies and cash awards.

We hope to see you and your chapter members this Summer in San Antonio.

Corbin presented a proposal for an internship scholarship program and requested $10,000 for selected members to receive $1,000 each to offset the cost of an unpaid internship. There was discussion on requirements, scalability, and whether this specific program or opportunity is the best use of funds. The board did not approve the expenditure to fund the program.

PD National President Ryan Paul reported that Professional Division membership is up 188 members (7.6%). The PD team has pulled back from a formal program of work to focus on board initiatives, specifically alumni program.

STRATEGIC ISSUES
Framework Project
Jessica and Kelly provided an update on the strategic priority to define distinctively experiences for each division. In March 2018, the Scope & Sequence Task Force met and developed overarching themes for each division, along with the knowledge, experience, and skills needed. The themes are Middle Level = Explore, FBLA = Experience, and PBL = Engage. Dr. Sarah Heath has been contracted to develop a framework for each level. The PBL Review Committee met in September 2018, FBLA will meet in February 2019, and Middle Level in March 2019. Each Review Committee will have working groups to review revisions on the framework.

Finance Report
Finance Chair Stacee McIff distributed the December 31, 2018 financial statements. She noted that we are in a strong financial position and have a positive fund balance.

Investment Status and Policy Recommendations
Stacee introduced Bob Kollar who provided an overview of our current investments, how they are invested and used, and his observations.

Association Governance Proposals
Chair-elect Ron Pierce provided an overview of the work of the Governance Committee. Ryan Paul reviewed the information sent to the board on December 11, 2018, beginning with the proposed board Conflict of Interest Amendment (Article V, Section 6 of the Corporate Bylaws) and the rationale for the proposed changes. The board approved the proposed board Conflict of Interest Amendment.

He reviewed the Background Summary Recommendation to amend the Corporate Bylaw regarding the succession of directors (Article IV, Section 2) which the board approved.

Ryan reviewed the Board Nomination Process, background, and recommendations suggested by the Governance Committee along with the Board Composition and Rotation Schedule. There was much discussion and recommendation changes, so the Governance Committee will make revisions and send back to the board to review.

The board then met in closed session to review the CEO search process and status, and then adjourned.
